

WHITE'S FOODLINER

Kingman Kudos Award October, 2020 Recipient Selected by Mayor Stan Hacker

Mayor Hacker selected White's Foodliner as the inaugural recipient of the Kingman Kudos Award. This selection was made to recognize the contributions of White's Foodliner to the community during the pandemic. Essential food and supplies were stocked and available to local residents, which was a major help during the stay-at-home orders. The City thanks White's Foodliner for its many contributions that help make Kingman a great place to land!
