

Addendum #1
Posted 1/5/2022

City of Kingman
Park Improvements

To All Bidders:

Identified below are clarifications and additions to the original RFB and are hereby made part of the bid documents as fully and completely as if the same were fully set forth therein. You must acknowledge this addendum on the bid form; failure to acknowledge may result in the rejection of your bid.

1. Play Area Surfacing (Broadway Park): Eco Turf Surfacing is **not** the sole source for this surfacing. An OR EQUAL supplier can be used so long as its product complies with the guidelines of the Kansas Department of Health and Environment's Waste Tire Grant Program. Eligible material is from waste tire derived products composed of multiple materials that must be no less than 50% waste tire material by weight, unless composed of other recycled material.
2. As a reminder, this project is tax-exempt and a tax-exemption certificate will be provided for this project.
3. For clarification, there is NO irrigation system planned for Broadway Park.
4. **To assist contractors, the bid deadline will be extended to January 21, 2022, at 10:00 a.m.** The Zoom link for the bid opening is the same as in the bid documents but included here as well:
