

# VOLUNTEERS! NEEDED!

## **CLEAN UP WEEK VOLUNTEERS NEEDED!**

**WHAT:** The City is compiling a list of individuals and groups who are willing to help residents clean their yards during the upcoming Operation Clean Sweep Kingman 2022 that is held in conjunction with Clean Up Week.

**WHEN:** Clean Up Week will be April 24th - 30th this year.

**WHY:** This volunteer list will be given to anyone needing help to clean their property. This will provide residents with a resource to call for assistance. The list will include the name of the individual/group along with a contact number so the resident can call helpers directly to schedule some work times.

**WHO:** We have had several pitch in over the years and we hope to have that same community spirit this year! Clubs, churches, schools, and just anyone who wants to help fellow residents should consider volunteering!

**HOW:** Please contact City Manager Greg Graffman at [graffman@cityofkingman.com](mailto:graffman@cityofkingman.com) to have your name/group included on this list.
