

OPERATION

CLEAN SWEEP KINGMAN 2022

WHAT: City of Kingman will again be conducting a city-wide inspection for ordinance violations related to garbage and refuse in the yards of residential and commercial properties.

WHEN: Inspections will start in mid-March, 2022, with violation letters being sent shortly thereafter.

WHY: The City is again taking a proactive step to help curb the clutter and trash that not only causes blight in our neighborhoods, but also health concerns. This is the 4th year for this program and it has been a huge success with hundreds of tons of debris removed from town. Let's continue to build on that momentum!

ASSISTANCE: The City will be sponsoring its annual Clean Up Week from April 24th to April 30th to give residents a way to dispose of bulky waste and other debris. If there are individuals or groups that would like to assist others clean up their properties, the City will compile a list as a resource for those who need help.

PRIDE: Let's all work to show everyone how proud we are of our community by doing a clean sweep through Kingman!
