## **Kingman Kudos Award June, 2022 Recipient Selected by Mayor Adrian Harrel**

Congratulations to the Polished Coupe as the latest recipient of the Kingman Kudos Award. Mayor Adrian Harrel selected Polished Coupe for its work as a new business bringing vitality to downtown. Polished Coupe is now a highlight in our revitalized downtown. Owner Shasta Wewe accepted the award and thanked the City and community for being helpful and supportive as her business has grown.

It was not that long ago when Main and Sherman was a blight on downtown. Now through the efforts of the City, Scott Mueller, and Polished Coupe that corner is alive again. The new Depot Park will only add to that! Thanks, Shasta for your hard work in helping make Kingman a Great Place to Land!
