

Beginning February 6, 2023, the operating and work hours for City Hall and most City employees will be changing. The new hours will be as follows:

**Monday through Thursday
7:30 a.m. until 5:30 p.m.**

**Friday
7:30 a.m. until 11:30 a.m.**

General Public Transportation will maintain its regular hours until March 6, 2023. At that time, General Public Transportation will convert to these new hours of operation.

There will be no change in how after-hours calls will be handled for emergencies. Public safety staff hours (Police, EMS) will also not be changing.

We believe these modifications will be beneficial not only to our staff, but also to our residents who will have earlier and later service hours regularly to conduct city business.
