

## Paperless Billing Signup Form

The City of Kingman is happy to offer its customers an option for paperless billing. This is a good option for those who wish to receive an electronic copy of their utility bill through email instead of getting a paper copy by mail. If you opt to receive your bill electronically, you will no longer receive a bill in the mail. You can request a physical copy from City Hall at any time.

Sign me up! My signature below attests that I am the account holder and that I understand that paperless billing is an optional service provided by the City of Kingman. I understand that signing up means I will no longer receive a paper copy of my bill by mail. I understand that I will need to notify the City of Kingman right away if any of the information below changes.
