

City of Kingman
City Commission Minutes
March 4, 2024

Attendance:

Present: Mayor Wallace, Commissioners Winsor, Wollen, Harrel, and McFarland (late). City staff consisted of Manager Graffman, Inspector Archer, and Airport Manager Tim Gullion. Clerk Bieghler was absent with Inspector Archer substituting.

Call to Order: Mayor Wallace called the meeting to order at 6:00pm.

Approval of Agenda: The agenda was reviewed and considered.

- Motion made by Harrel, seconded by Winsor to approve agenda as presented. Motion carried by unanimous vote.

Runway Repairs: Manager Graffman and Tim Gullion discuss the damage to the runway at the airport and the need to repair them. Manager Graffman presents a bid from American Pavement Solutions to repair the runway in the amount of \$71,939.00.

- Motion made by Harrel, seconded by Wollen to approve the repairs as presented. Motion carried by unanimous vote.

KPP Solar Project: Colin Hansen and James Ging present some alternative sites for the KPP Solar Array project after discussions from the February 22nd meeting suggested the need for alternate sites. The alternate sites are located on city property off NW 10th Ave and west of Koch Industrial. Option three includes a 12-acre section of land dedicated to the array that would split the remaining property into a narrow section on the east and wide section on the west. Option four is a 12-acre section that is rectangular and moves along the top half of the property leaving one large piece of land to the south.

- Motion made by Harrel, seconded by Winsor to approve Option 4 as presented. Motion carried 4-1 with Wallace voting Nay.

Adjourn: At 6:59pm

- Motion made by Harrel, seconded by McFarland to adjourn the meeting. Motion carried by unanimous vote.
